A MINISTRY OUTREACH OF CHURCH OF JOY / REACH A GENERATION - INFO@THENEWCHURCHOFJOY.COM | 847-731-2117

WELCOME FROM OUR FOUNDERS

Pastor Luis & Tricia Reyes

Greetings to You & Your Family!

We are so grateful as we've celebrated 26 years as a ministry for what the Lord has done in our church! Although Tricia and I were very young when we started Church of Joy, we can say that we've been intentional from day one to reach and minister to people! So, today we thank the Lord for every person He has sent to our church for us to pastor and now every child, parent and family we are able to serve through Legacy Christian School!

As we've started 2023 as a year of INTENTIONALITY, We have seen the Lord bring so many new people and families to our ministry, and it's only going to continue as we are intentional in advancing the Kingdom of God! We have always had a special focus on reaching the next generation, and now the Lord is advancing us educationally to serve the families of our community through quality Christian education! We starting seeing a genuine connection with families in our community when we launched Joy Daycare and early childhood development program. We began, through our daycare to provide quality childcare for families in the surrounding area, and we have heard so many wonderful testimonies of parents who have been blessed!

Now, we are excited to take the next step in providing quality care, development and education to the next generation! Legacy Christian School will be such a blessing to so many children, parents and families in our region, and we're excited about our launch in the fall as we continue reaching a generation!

God Bless You!

Pastor Luis & Tricia Reyes
